Dear Club,

We've all heard those stories about milkmen shagging randy housewives on their route, haven't we? Well, like me, you probably put them down to nothing more than a vivid imagination. But since I took a job helping my uncle do his early morning round, I can honestly say that it's not all just fantasy!

On day one, Pete warned me about Sam at No. 84. A big-titted blonde, the wrong side of 40, but with an hourglass figure and a penchant for opening the door dressed in just

her underwear.

Pete had resisted the temptation and, anyway, he's happily married. I'm a fit, single, 20-year-old student, though, with not enough shags under my belt, so I was more than eager to collect her payment last Friday.

I rang her doorbell at about eight in the morning, while Pete continued down the street, visiting his other customers.

Sam opened the door on the second ring. I must admit I was a bit disappointed that she was wearing a dressing gown after the stories I'd heard, but I could still see the curves of her arse and large boobs as she ushered me into the hallway.

"You're new," she said, opening her purse, the gap in the front of her loosely tied dressing gown revealing an ample cleavage. "I guess Pete will have told you all about me," Sam

"...drawing my shaft slowly inside the sticky folds of her oozing cunt."

purred, looking me straight in the eye. She moved closer and, without another word, placed her hand on my crotch and squeezed. My cock immediately stiffened inside my jeans as she rubbed her palm harder against the growing bulge.

"Let's see it, then," she said, and deftly unzipped my trousers, dragging my nearly rigid prick into view. I'd heard of fast workers but this was ridiculous as she began to wank my foreskin back and forth right there in the hall!

Sam pushed her tongue into my mouth, those lovely knockers pressing against my chest as she did so. I slid my hand inside her gown and clasped one warm soft breast. My prick pulsed in her hand as I kneaded the soft flesh between my fingers. "Why don't you suck them?" Sam groaned and, letting go of my dick, cupped her tits before me, the nipples jutting out towards my face and begging for attention.

I sucked one nip into my mouth while feeling down between her legs to rub her pussy.

Unsurprisingly, Nympho Sam's pussy was already sodden with love juice and I inserted two fingers with ease. My knob twitched

uncontrollably as she ground her twat against my hand while I continued to gorge on her awesome boobs.

By now my back was pressed against the wall and as Sam lifted her leg to my waist I realised she wanted my dick inside her. I pulled out my soaking fingers and lent back as Sam expertly manoeuvred her twat onto the tip of my rock hard tool. Thrusting her tongue once more into my mouth she moved her hips forward and down, drawing my shaft slowly inside the sticky folds of her oozing cunt.

Slipping her hands around my arse, she

yanked me towards her, burying my entire prick up her hole. It certainly wasn't the tightest pussy I'd fucked but her rhythmic gyrations were of porn queen quality and, within seconds, I felt my spunk begin to rise. I gripped one of her bum cheeks in each hand and thrust my dick deeper, tickling her arsehole with the tip of a finger as I did so.

Suddenly, her whole body tensed and she squashed me to the wall. I eased my finger into her tight bum up to the first knuckle and nibbled on the nearest nipple. Sam gasped loudly as the orgasm exploded through her body. I could feel her sex juice running down my thighs as her dripping pussy clenched around my tool, bringing my own climax

towards the point of no return. Before I had a chance to squirt my load deep inside that gorgeous cunt, Sam clambered off me and knelt on the carpet, her face inches from my glistening manhood. With a loud slurping noise she hungrily sucked the bulbous purple head between her lips, smearing sticky trails of her own cum juice

around her mouth. I ran my fingers through her long blonde hair, now damp with sweat, and moaned as she actually began to swallow my meat, taking it inch by inch down her throat. I've never been deep-throated before, and the tightness combined with the suction was impossible to bear as the spunk blasted its way from my balls.

She knew exactly how to control a cock and dragged it free from her lips just as the first jet of seed sprayed from my knob. It splattered against her chin as she pushed her tits together to form a horny target for my spunk. I willingly obliged and fired wildly into her cleavage, watching as she smeared the mess into her quivering breasts while running her tongue around her cum-speckled mouth like a slut. Sam licked her fingers clean of jizz and gave my cock a few gentle sucks before placing it back inside my jeans and zipping me up. "You're bigger than Pete,"

Sam whispered with a grin as she retied the cord on her dressing gown and let me out through the front door.

My Uncle was waiting patiently in the van at the end of the road and, judging by the broad smile on his face, he knew his secret would be safe with me. I guess he just knows how to keep his customers happy!

Jake, Tyneside.

Cassie's all in white today, but this girl can't get away with looking virginal, she's just too saucy for words.

"There I was thinking you were going to tell me how much of a hot crumpet I am like you do with the other models."

You have me down to a tee, and I have more words for you than I know how to spell Cassie.

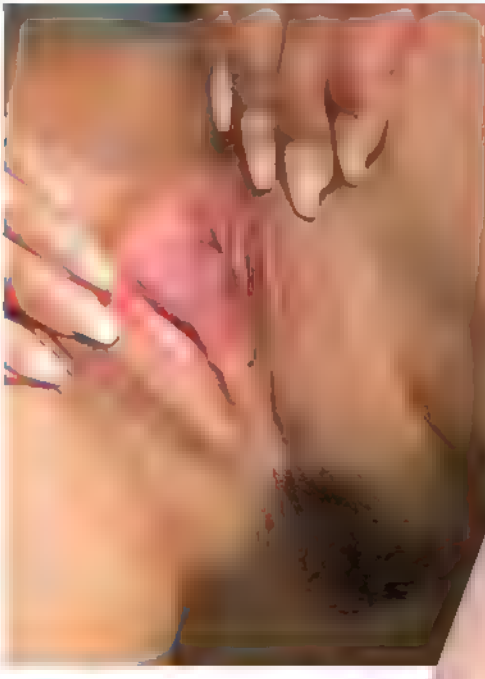

"Well, why don't you come and sit by me and whisper a few in my ear."

No man on earth would need more telling than that.

A blonde woman with long, wavy hair is posing on a bed. She is wearing a red lace bra, a matching red lace waistband, and red lace thigh-high stockings. She is also wearing black lace-up boots. She is looking directly at the camera with a slight smile. The background shows a wooden headboard and a patterned pillow.

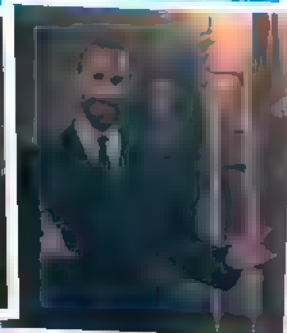

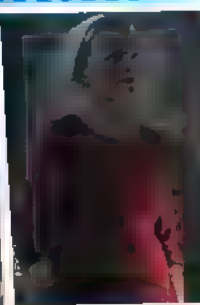

Let it be known that we've seen some hot babes in our years at Paul Raymond, but Gigi is most definitely scaling the sky in our eyes, as the insatiable blonde leaves our mouth gaping with her see-through red lingerie set, complete with seamed stockings. There's just no stopping this woman and her magnetic attraction, we're having trouble tearing our eyes away, so we imagine any poor chap that crosses her path is fated to moon over this sassy babe for quite some time after.

KITBAG

Grand Complications

Skeleton Watch<https://caviar.global>

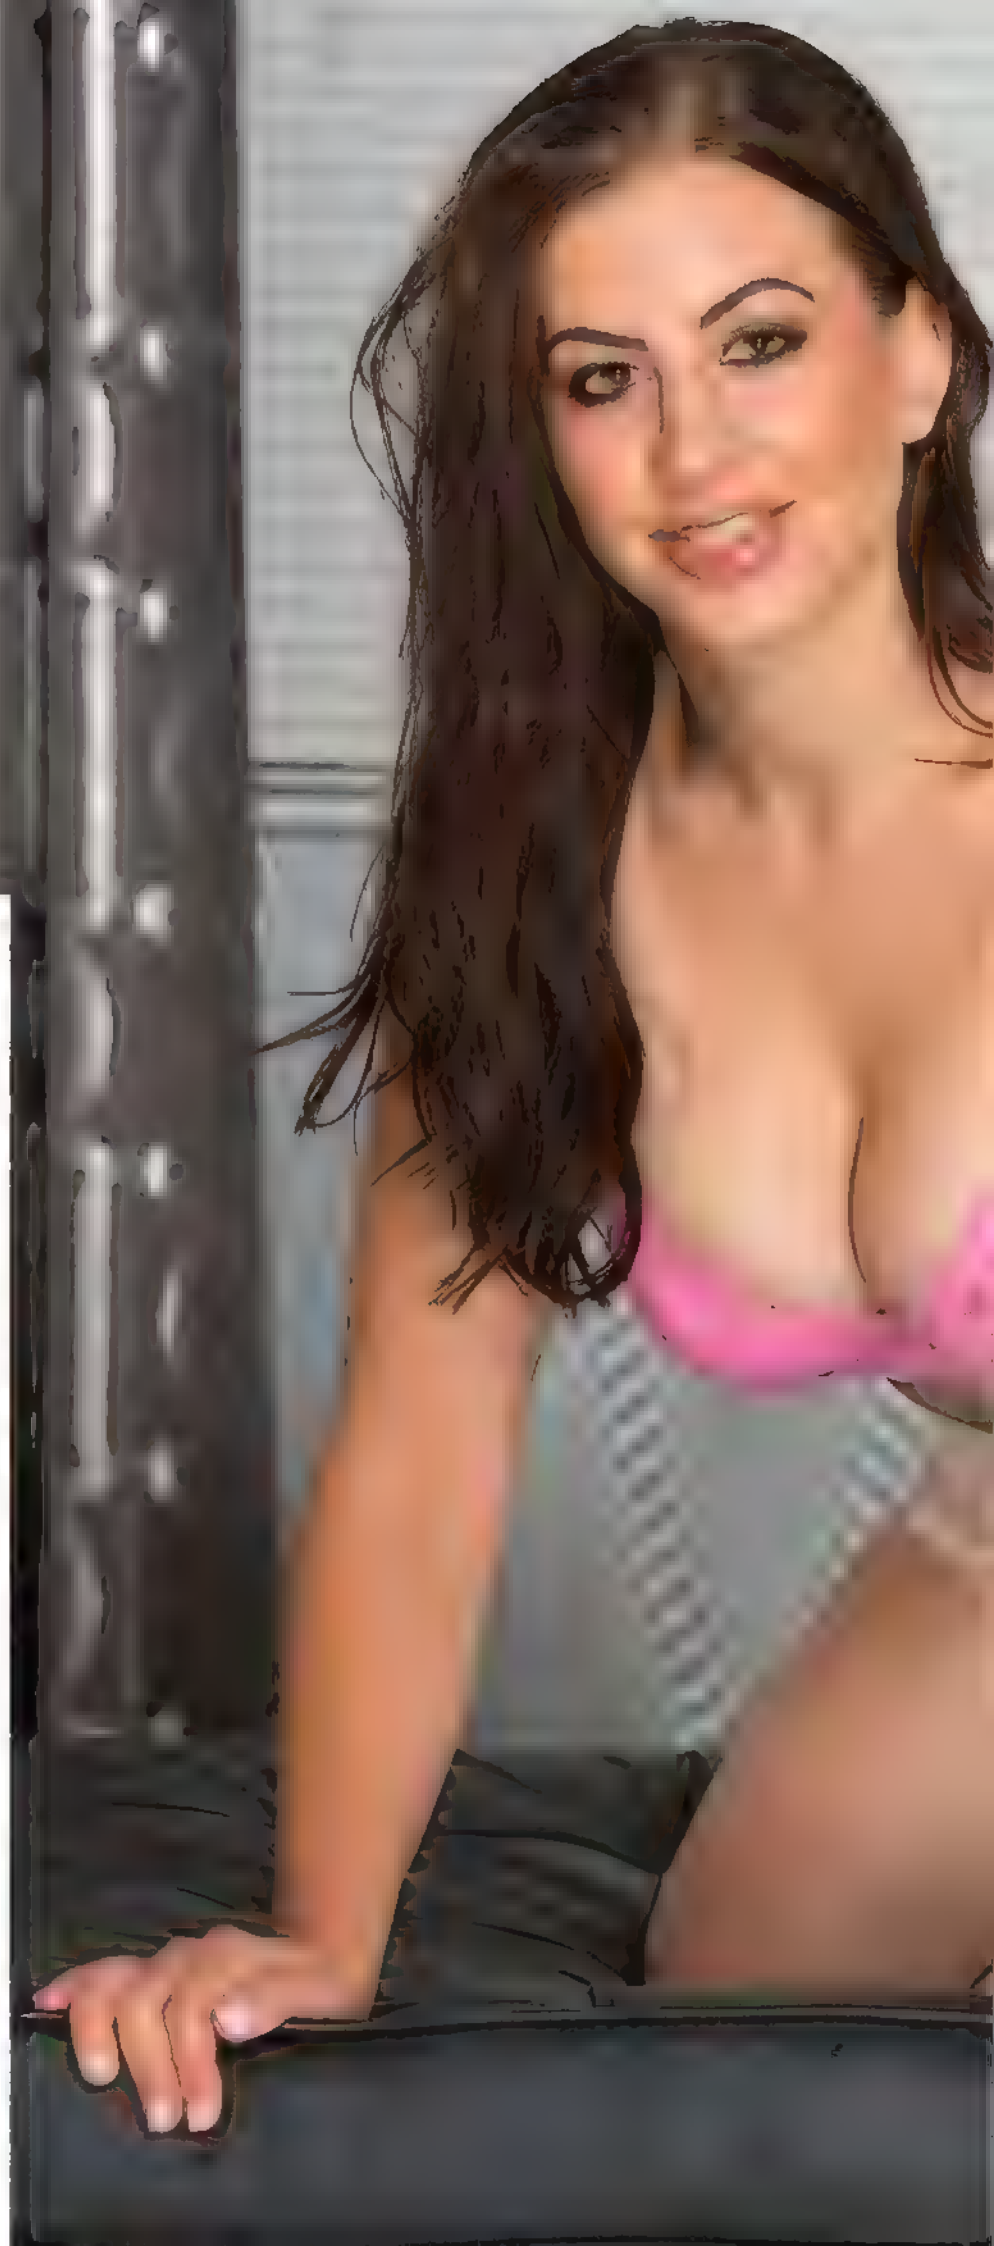

It's not often that Kitbag features a luxury item, but our minds boggled at this little number from Caviar, the Russian luxury goods company that initially created the gold Putin phone case, which to us, is patriotism on a new level. But still, the Grand Complications Skeleton is something to be marvelled at. Produced to fit iPhone XS and XS Max, this cover essentially turns the outer case of your iPhone into a working mechanical clock. The heavily ornamental case isn't complete nonsense, the skeleton uses a modified ETA Unitas 6498-1 movement, which is often used by top-name watchmakers, making it the real McCoy. Though you need deep pockets to buy one, it does come with the iPhone of your choice included.

**TP-Link M7450**www.amazon.co.uk

We just can't do without the internet these days it seems, this can be a bit of a problem but have no fear TP-Link have packaged up a light and bright little portable router, that supports 300Mbps download speeds and 50Mbps upload speeds on 4G LTE networks. A 3000mAh battery will keep you working for 15, and the device can support up to 32 devices at once. There's optional storage available with a micro SD slot for up to 32GB and the device's screen shows all the important information clearly. A useful device but it is good to note that most UK 4G speeds download at around 25Mbps and upload at 10Mbps, so if you want faster speeds, I suggest you lobby the government because this device will support them.

**GoPro Fusion**<https://shop.gopro.com/EMEA/cameras>

Calling all adventures and, well, non-adventures, anyone really, the GoPro Fusion has arrived with its 360 degree camera, so you can capture a complete surround picture, as you throw yourself off rock faces, navigate down wild rivers or enjoy the heady dangers of cycling through central London at rush hour, or any hour when it comes to London. So what's the fusion all about, well, it's sturdy for rugged use, records in 5.2k resolution, captures stills in 18MP, and has handy voice controls. But the icing really is a function called 'Over-Capture' which allows you to film an entire beach of surfers, and then, later on, produce a video edit of just one surfer. And before you ask, yes Fusion is waterproof to five-meters, with a rubberised outer shell, and rounded corners, which makes it easier to handle when you want to capture those mind blowing moments.

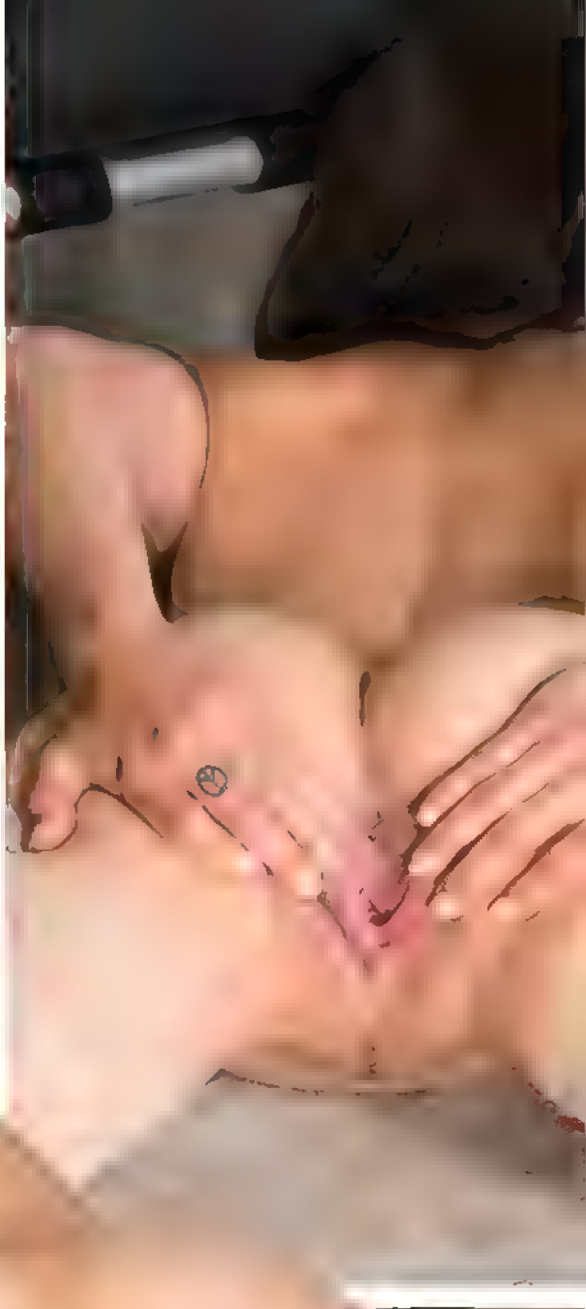

It's about time we had a newbie, fresh-faced and raring for some camera action, and who better than the stunning Tindra. This Icelandic hotty will more than melt the icecaps as she brings the nations balls to boiling point, with her unique sense of fun and playful nature, it's a wonder anyone could resist. But then again who would want to resist the charms of Tindra Frost.

Either Lucy doesn't feel the cold, or the lucky girl has flown to sunnier climes.

"As soon as that thermostat starts to drop I'm off in search of the sun, I can't stand woolly jumpers, constant hot drinks and dark evenings. I find it all a bit much, I'm a real sunshine girl. I'm thinking of moving to Australia to soak up some real rays next year."

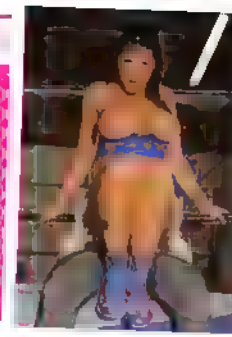

Those Oz boys are in for a right old treat if Lucy sets sail for their shores, and believe us when we say this little lady will be expecting some fun in the sun.

Hot Hitchhikers 2

Private

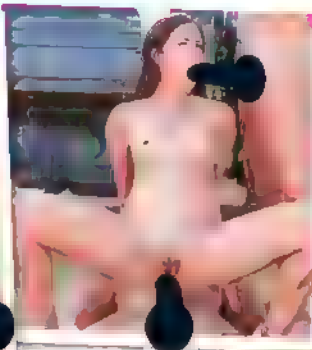

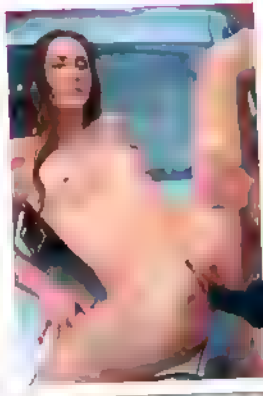

Starring: Elle Rose, Cassie Fire, Daphne Klyde, Selvaggia and Aruna Aghora.

Synopsis:

"Selvaggia, Cassie Fire, Elle Rose, Aruna Aghora and debutant Daphne Klyde, don't

bother holding out their thumbs to hitch a ride, these sluts just show their big tits or simply spread their legs and let their talents do the talking. Actions speak louder than words and rather than thanking their big dick chauffeurs these girls simply put their tight asses to work, enduring intense anal and heavy squirting sessions to pay off their debt. These girls travel the world sucking and fucking, we were just lucky they let us tag along for the ride! Do not miss this teen ass slamming gap year."

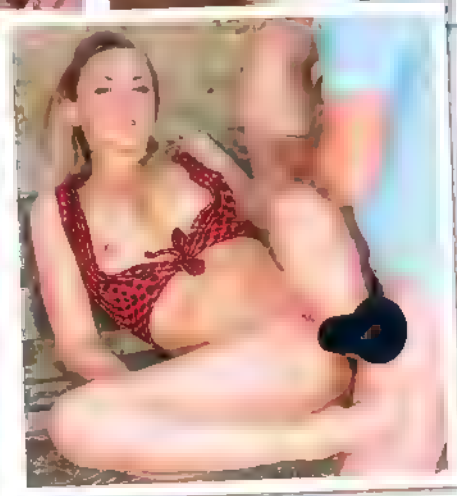

Courtesy of Private

Verdict:

Cassie Fire

doesn't hold back as she rolls about on the tarmac in a threesome, where the Russian babe rewards her drivers for stopping with a double blow-job and her tight pussy. And Miss Fire isn't the only one ready to show her appreciation as Aruna Aghora launches in with some deep-throating before spreading her pussy wide to accommodate the stiff stud, who bangs her royally on his car bonnet and finishes off showering Aruna in a cum facial. Sounds like a complete bargain to us, and afterwards, you get to give the gorgeous babe a lift. Sod the petrol money!

Justice League XXX

An Axel Braun Parody

Wicked Pictures

Starring: Jessica Drake, Katrina Jade, Charlotte Stokely, Romi Rain, Jessa Rhodes, Tyler Nixon, Derrick Pierce, Charles Dera, Ryan Driller, and Xander Corvus.

Synopsis: The King of Parody is back, with the biggest and most anticipated Adult movie of the year! Legendary director Axel Braun unites the heroes of his DC AxelVerse in more ways than one, in this epic Wicked Comix mega-production. With a stellar cast headlined by the ferociously sexy Romi Rain as Wonder Woman and a phenomenal Charlotte Stokely as Batwoman, "Justice League XXX: A Porn Parody" will show you why it's time to COME TOGETHER!

Courtesy of Wicked Pictures

Verdict: Time is out of joint apparently, and the leaders of the world are no better than criminals (shock horror) in this latest Axel Braun parody that devels into the DC universe. Personally, I can't believe the quality of this Braun production, the costumes and sets are all of a high standard, and the movie itself has more of a serious note to it, similar to the actual DC films. No wonder Braun clears up at the AVN awards every year. But that aside let's get down to the bottom of it all, or rather Charlotte Stokely's peachy behind in her Batwoman catsuit, as she goes to town on Romi Rain as Wonder Woman. As Stokley laps at Rain

we are reminded more of cat than bat, but the scene stealer of the film has to be number five where Wonder Woman takes on the men with Charles Dera, Tyler Nixon and Xander Corvus all grabbing a piece of the action before giving Rain a super-powered soaking.

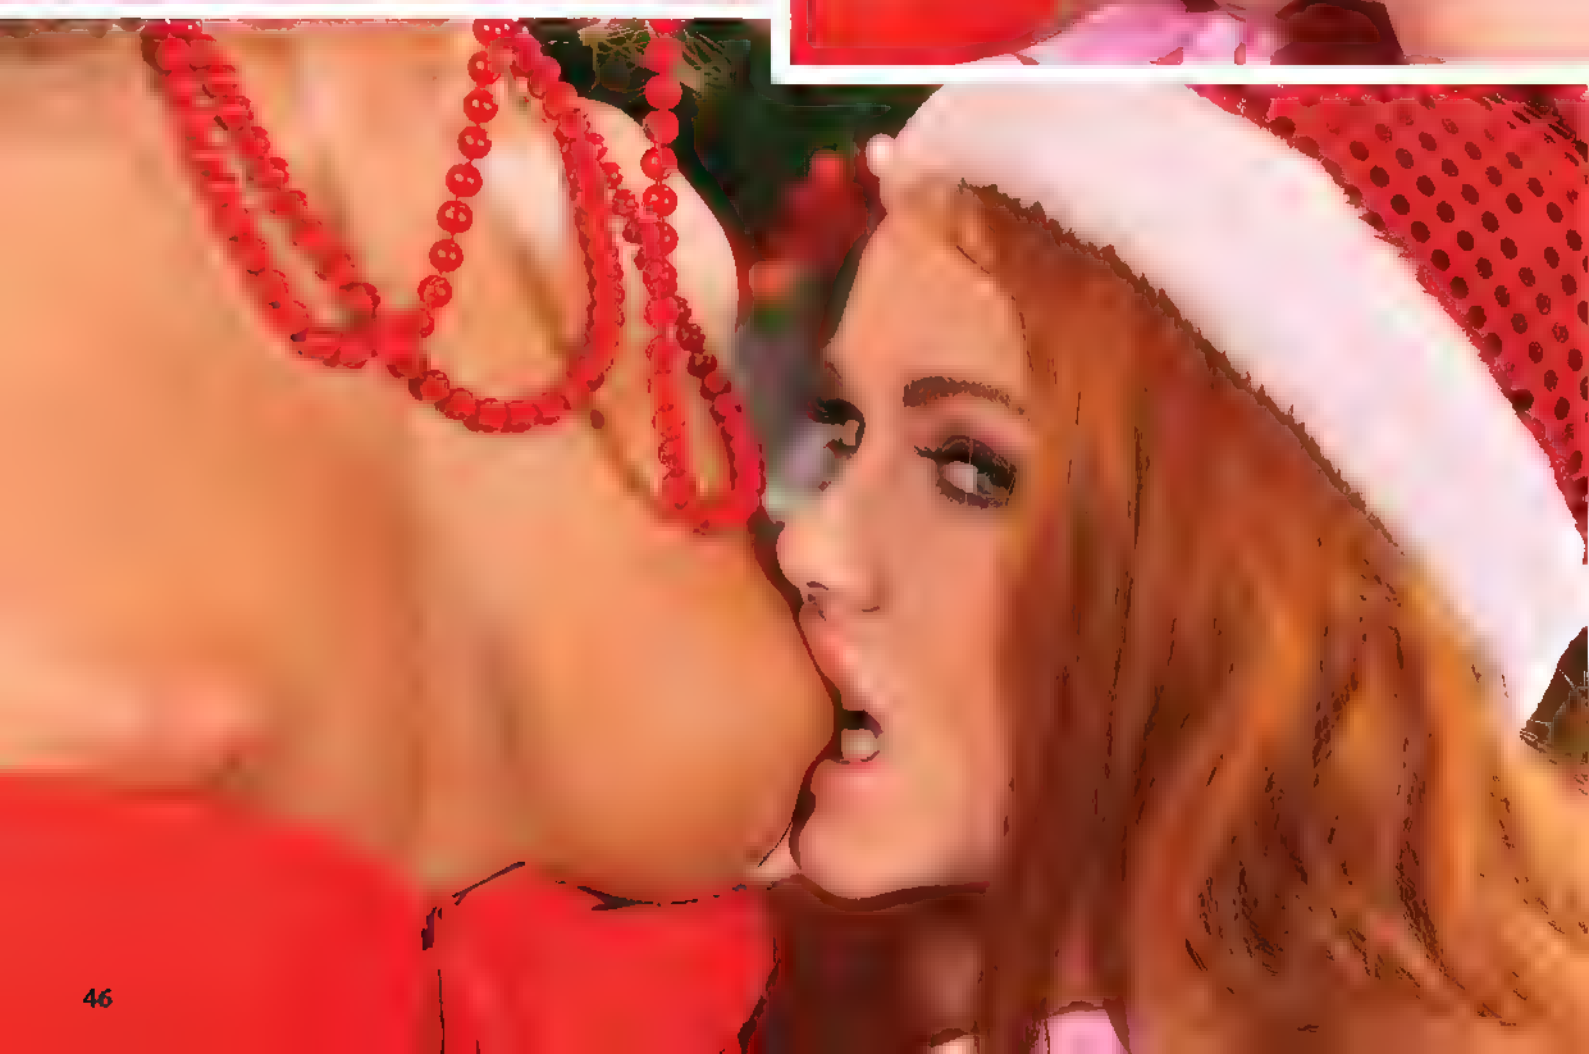

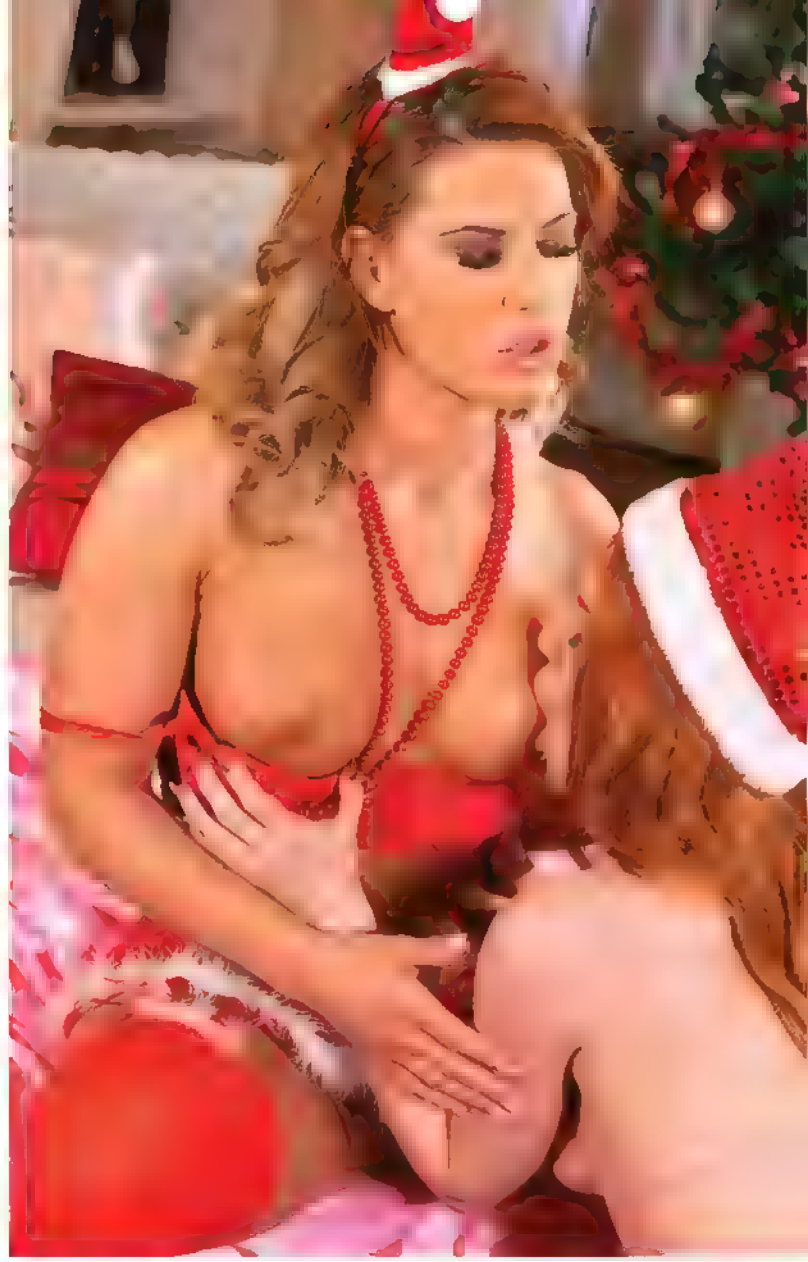

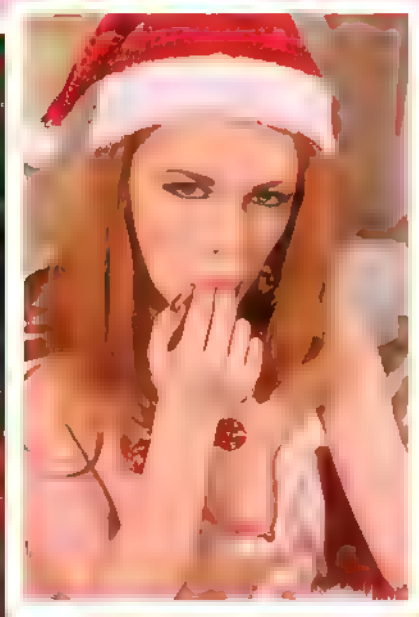

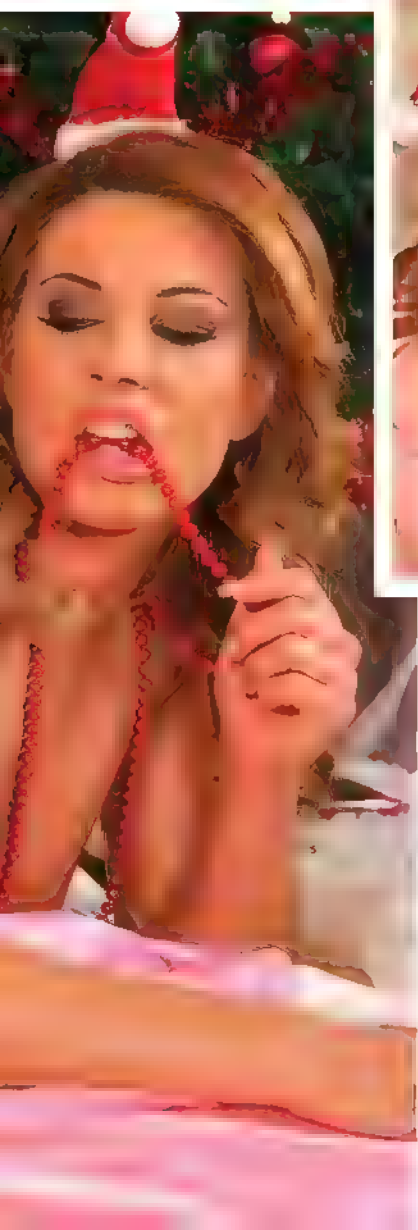

Club reckons these two seductive sauce pots will be blowing the soot clean out of Santa's chimney this Christmas, as the only thing Ella and Anthia seem keen on unwrapping is each other. So as these two festively frolic, lapping at each other's snatches, and ram home a large double-ender, that glides effortlessly between their silken lips and straight into each of their hungry holes with wild moans, it's easy to fantasise about waking up to these naughty little elves on Christmas morning and copping them a real hard shafting. And on that note, we will leave you to enjoy the action unfolding, as Club wishes you very merry and jolly old time!

It's been a while since we last saw Gina and it looks like this little temptress has been busy having a little makeover.

Great hair Gina, what is it they say? Very Vogue?

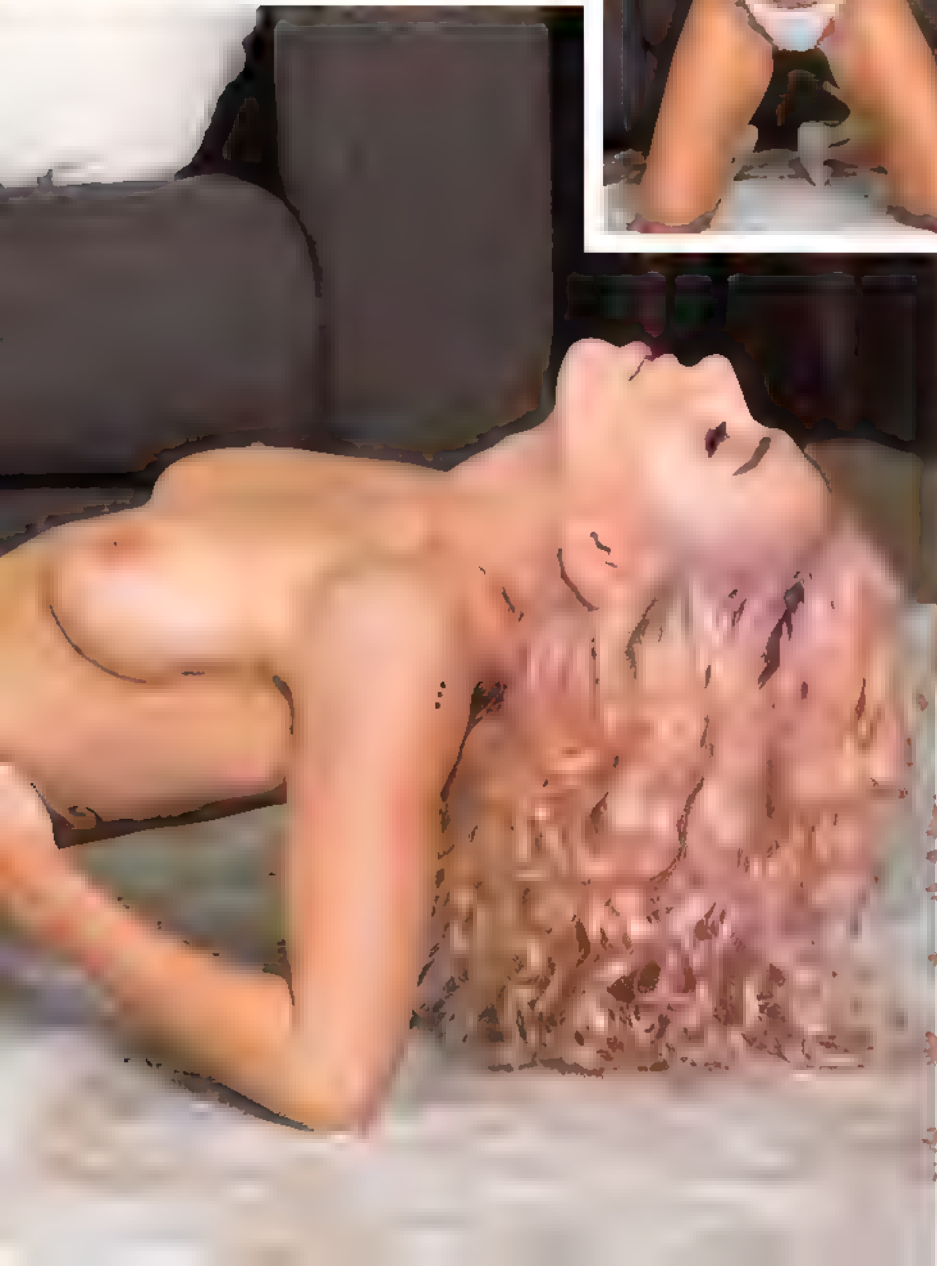

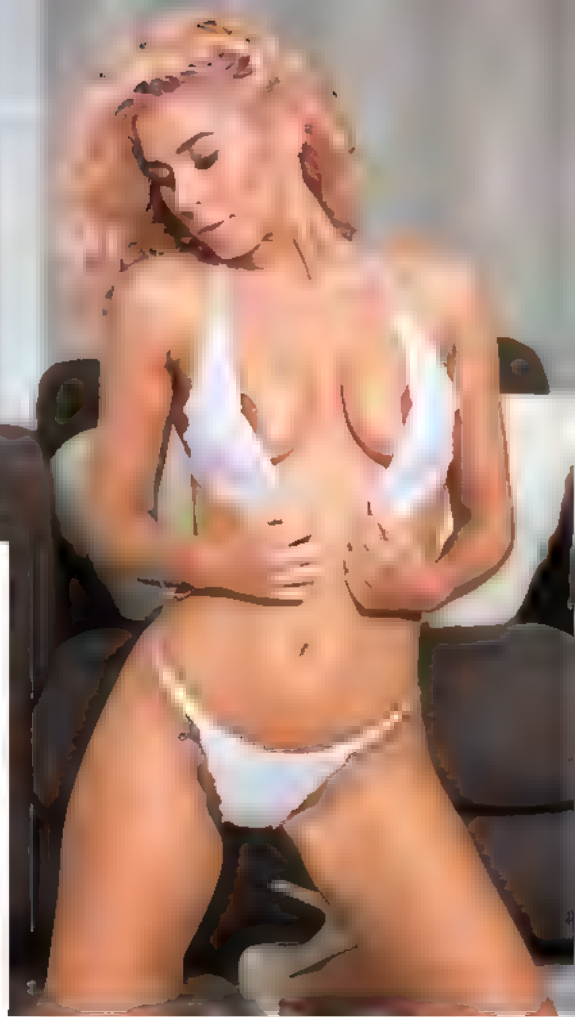

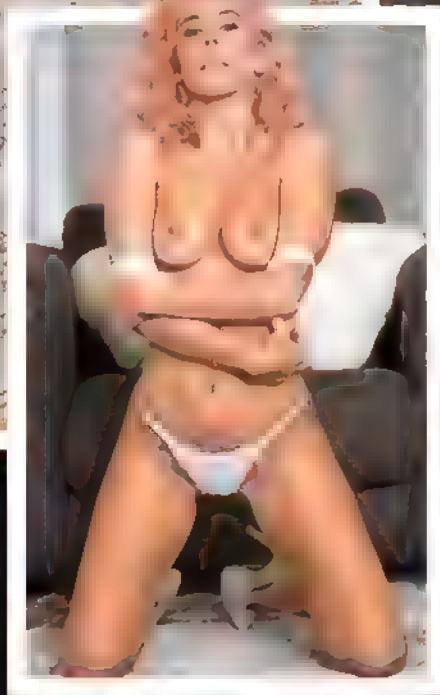

"Aww thank you, I just wanted something completely different for a change, and more importantly I wanted something fun!"

It's definitely fun alright and so is your underwear, very enjoyable from where I'm sitting.

"Oh you naughty thing, you just wait till it all comes off then you'll enjoy yourself, even more, I'm betting.

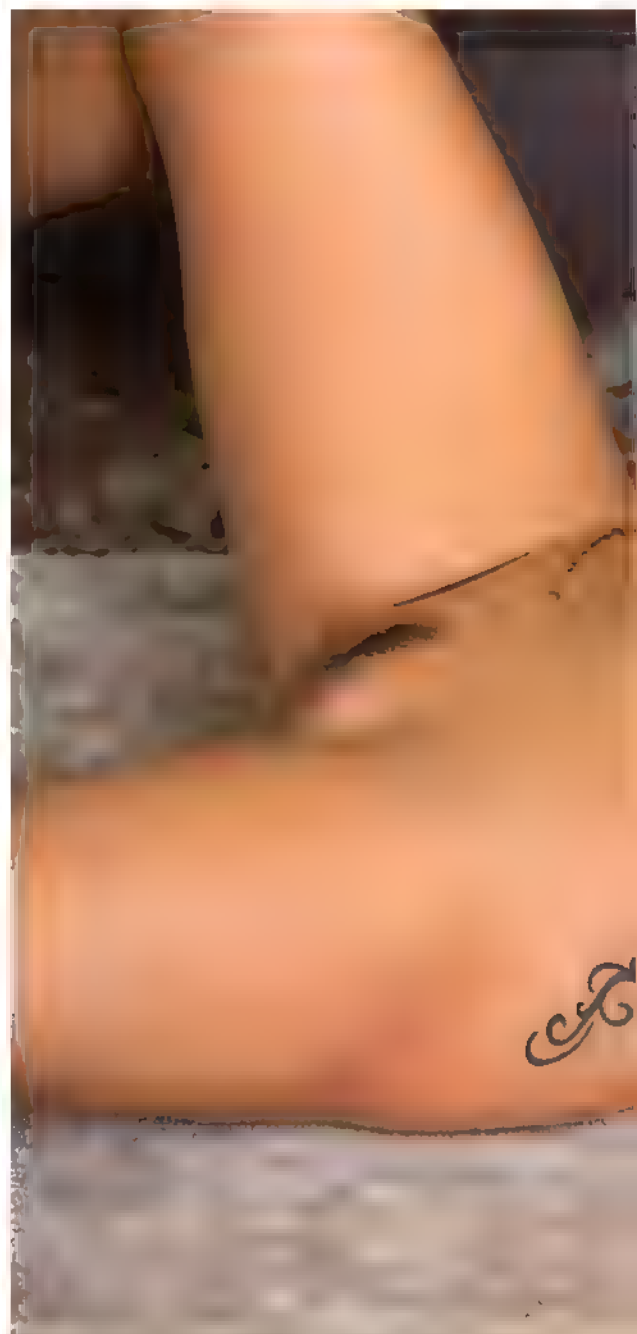

The odds are with Gina on that score.

'ER INDOORS GOES OUTDOORS

Outdoor sex is something my wife and I only discovered about two years ago. I don't know why neither of us had ever tried it before, really, but the first time we did it was on a weekend away in Newquay. We'd been down the local pub and by the time we left at closing time we were both pretty pissed. As we staggered back along the deserted sea front heading for our hotel I started talking dirty to Jan about exactly what I was going to do to her when we got back to our room.

"I'm going to lick your pussy," I laughed. "I'm going to eat you out till you come. I'm going to fuck you good and proper tonight. My cock is rock hard for you." I suppose it was because I was drunk, but I thought it would be a laugh to take my cock out of my pants and start waving it about in front of Jan. I know it sounds a bit daft now, but it was just one of those things that happens when you're tanked up. Anyway, Jan was laughing and giggling and kind of made a grab for my stiffy as some sort of a tease. Miraculously, given the state we were both in, she actually managed to get a hold of it and I think more for a laugh than anything else started to wank my shaft a couple of times. Now any horny bloke will know that she shouldn't have done that if she wanted to make it home for sex. As soon as Jan had started with all that nonsense I just couldn't think straight any more. Suddenly I wasn't laughing. "Don't stop," I said. Jan looked at

me, wide-eyed. "What? You want me to carry on? Here?"

"Well, there's no-one else around, is there?" I answered. Suddenly a dirty grin spread wide across Jan's face. She started to wank me, slowly at first, then as she quickened the pace she sank to her knees, ready to take all my jizz in the face when I shot my load. It didn't take too long, I can tell you. Within a minute I came and spattered spunk all over my wife's gorgeous face. It was a really thrilling moment and we raced back to the hotel to fuck our brains out, high on the memory.

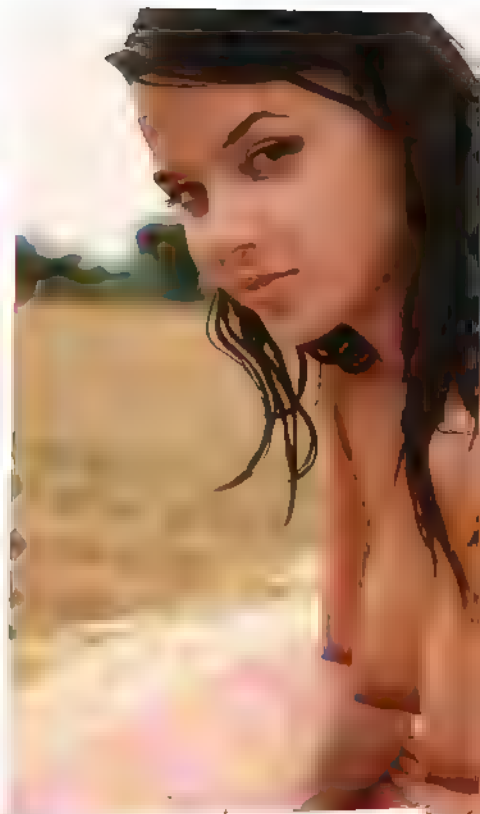

Well, after that there was no stopping us. The very next night we actually fucked on a bench not too far from where Jan had tossed me off and we both agreed it was the most exciting sex we'd ever had. We soon

“...the thought of being watched shagging by complete strangers had really turned us on.”

became devotees of outdoor activities and the more we did it the better we got at it. Neither of us would wear pants so that it would be easier to get straight down to it and Jan would always wear a short skirt so that she could just hitch it up round her waist and let me slip inside her really easily.

One day we were fucking just off at the side of a public footpath near where we live and were getting so carried away that we didn't notice this middle-aged couple wandering along until it was almost too late. We just about managed to sort ourselves out so that we didn't give the poor loves a heart attack, but when we talked about it afterwards we both agreed that the thought of being watched shagging by complete strangers had really turned us on. We agreed that maybe we could try and engineer a situation where we could let ourselves be watched by other people as we were fucking.

We did a bit of homework, checking out public pathways and hillsides, places where

we thought we could try it out, and in the end opted for a little clearing in a wood near Northampton, about an hour's drive from our house. We'd read somewhere on the Internet that it was quite a well-known place for exhibitionists and thought that sounded about right. We drove up on a Friday evening, excited about the prospect of what might happen. We parked the car near the spot and walked up towards the clearing. I had such a stiffy by this time that it was hard to move – I was so excited by the prospect of what might happen to us.

The clearing was deserted, but the light of the moon made it easy to be seen. I told Jan to grab hold of the trunk of a tree so that she was bent down, her legs straight and her lovely arse pointing up in the air. I pushed her

“ I slipped my shaft out of my pants and slid it straight inside her tight pussy...”

skirt up over her arse cheeks to reveal her bum and noticed straight away that she was so wet that there was no need for me to lubricate her. I slipped my shaft out of my pants and slid it straight inside her tight pussy all the way up to the hilt, then started to slide back and forth into Jan.

All of a sudden I looked ahead of me and couldn't believe what I saw. There were two people, a guy and a girl, obviously a couple, and they were both wanking themselves off while staring dead ahead at us. I kept my rhythm up while not taking my eyes off this other horny couple and felt like my balls were going to explode, they were so heavy with spunk. This was just so horny. I could also tell that Jan was looking at the couple and she was excited too. I suddenly felt my orgasm rising and shot a load of jizz deep into her, overwhelmed by the whole affair. But that wasn't the end of it.

"Let's go and join them," gasped Jan as I pulled out of her. I couldn't believe it. We'd never done anything like this before. Were we now going to take part in a mini-orgy? Jan pulled her skirt down, then walked over to the couple – and grabbed the bloke's dick in her hand to start bringing him off. Well, this was way beyond my wildest dreams, especially when the girl suddenly grabbed hold of my cock, sank to her knees and started wanking me into her mouth. I don't know what came over me, but I pulled out, bent this girl over, splayed her cheeks (she wasn't wearing knickers) and thrust my shaft inside her. There was Jan pulling this other bloke off while I shafted his wife (or was it his girlfriend?) right in front of him. It was wild. Beyond wild.

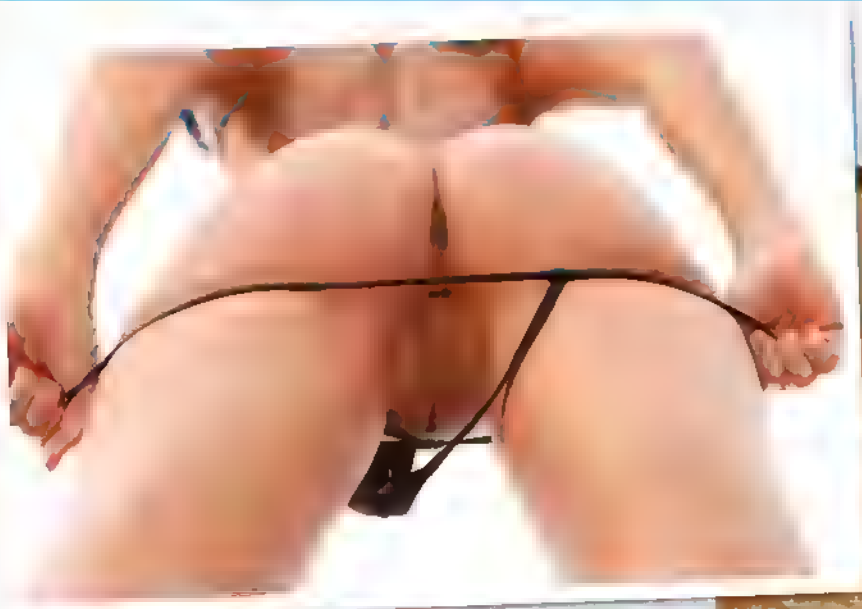

It didn't take long before I shot another load of come and just as I did I noticed this other guy shoot his load as Jan wanked him to a climax. What a finale!

Not a word was spoken between any of us. We all simply got up and went our separate ways, but it was one hell of a horny experience!

LES IS MORE

I live with a stripper. Her name is Molly and you may think I'm lying here, but she was a lesbian until she met me. Now this isn't an "I'm a fucking great stud and I can turn dykes into straight girls" ego trip, just me telling you

what I think is an interesting story.

I met Molly two years ago. She was dancing at a strip joint in Manchester. Well, not a strip joint exactly. More one of those gentlemen's clubs, lap dancing-type places. It was a Friday night and I was with a bunch of mates I've never really seen the point in getting yourself all worked up when you know full well that you're not going to shag the bird who's been getting you hot. But I went with the flow and ended up sort of skulking around the back of the club.

I suppose it was because I had a bit of a 'not arsed' vibe that Molly started talking to me. She told me later that she was so sick of guys always trying to pull her that my attitude was appealing. Anyway, it was obvious that we got on and I thought, to be honest, that maybe I had a chance of pulling her. I asked what she was doing later and she said "Not a lot." I said "Can I do 'not a lot' with you?" which made her smile and at the end of the

night we both left the club together. Being a naive git, I didn't know that the girls are never allowed to openly date the punters, but nobody batted an eyelid about

me and Molly leaving together, obviously because they knew she was gay.

Back at her house we necked a couple of bottles of wine, then started on the tequila slammers. We were having a great time and I really thought I'd end up shagging Molly – at least until she told me she was a dyke I did. Still, numbed by alcohol I took the news in my stride and made some lame gag about asking whether I could watch, which went down like a fart in a spacesuit. When we finally fell asleep at about five in the morning, though, at least I ended up sharing a bed with

her. After all, there wouldn't be much point in me sleeping on the sofa.

At first I couldn't quite work out what the hell was happening. Through the haze of sleep and the early warning signs of an oncoming hangover I wasn't sure it was really happening at all. But no, it really was happening. This girl who had said she was a lesbian, who hadn't even laughed at my joke, now had her lips round my hard on and was giving me a blow job. I almost blurted something out,

“ I actually came, shooting a whole load of hot jism straight down Molly's throat. ”

arse back against my prick. We fucked in the missionary position, we fucked on the floor and on the bed. I fingered her, I licked her and I lapped her. And I guess I was doing a pretty decent job because Molly was clearly orgasming long, hard and often. She obviously knew how to bring herself off too and didn't mind me watching as she rubbed and flicked at her bud until she came yet again. She was a stripper, after all. She knew how to put on a show.

We haven't spent a night apart since – and Molly hasn't been with another girl since that night. Bizarrely she still refers to herself as a lesbian. But a lesbian with a boyfriend. Don't ask me, that's women for you! Would I like to see her with another woman? Well I'm a hetero bloke, so what do you think? But everything in good time. I'm just delighted to have a really hot, sexy new girlfriend right now!

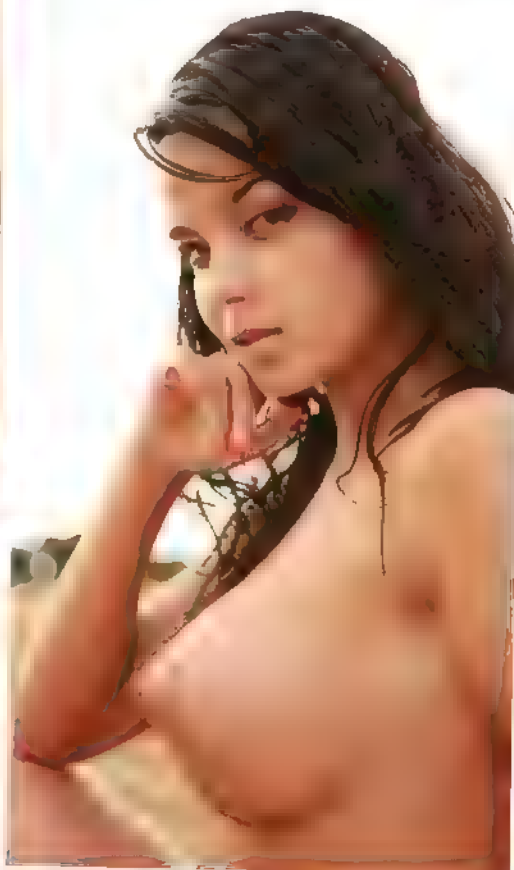

Justin, Birmingham

something along the lines of “Aren't you supposed to be... well, gay?” but then came to my senses and pretended I was half asleep right up until I actually came, shooting a whole load of hot jism straight down Molly's throat. She looked a bit surprised at first, then pleasantly surprised.

“Well there's a turn-up for the books,” I said. Molly looked up, a bit sheepish. “I haven't done that since I can't remember when.” “But I thought you were a lesbian.” “I am... or maybe ‘was’,” she said. My cock had

stiffened up again. “I don't suppose you... er...”

“I do suppose,” replied Molly and pulled the bedclothes off to reveal a really tidy body. “In for a penny, in for a pound,” she said. “Quite literally,” I laughed and guided my throbbing head towards her lovely shaved pussy. Well, the sex was incredible, better than with anyone I've ever been with. Molly was enthusiastic, to say the least. We did it doggy style, with Molly grinding her

Peaches

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

HOTEL HOLE

'Peaches'... I always smile when my husband Nic and I leaf through your magazine and we pause at your column, because Peaches is the name I was given by a lovely boyfriend I had in my student days. And while few at the time were aware of the reason, I'm sure you lot at Club can all imagine!

Nic is a 'back door' man too. With him there are no rules and certainly no inhibitions. We have an exciting love life and things I might once have considered far too rude I now find myself throwing myself into.

Not too long ago Nic's job took him away from home for several weeks. We missed each other like mad. He wrote some very saucy emails and I was determined that our reunion would be very special and live up to his and my own naughty fantasies.

We got together finally for a long weekend at a hotel on the island of Jersey. The very first evening we dined at a restaurant a little further around the bay and a short walk from our hotel. We kissed as we walked back along the sands after dinner and frolicked in the surf. There was a nice summer breeze that kept wafting the hem of my short summer dress and billowing the floaty material up round my waist. As I wasn't wearing panties the effect was delightful for Nic, though I must admit I did rather play to the gallery and my attempts to thwart the breeze were only half-hearted.

Eventually I found a low wall in something

of a secluded spot. As I leaned over it the breeze lifted my dress again and with a little assistance settled gathered around my waist. I felt so sexy, wriggling my naked butt in the moonlight as I bent over, my dream fella standing behind me. Nic grabbed my cheeks and knelt down, then delved his tongue right into my groove and explored my pussy and anus.

I felt so wanton, so raunchy, I just wanted Nic inside me. I twisted round, somehow pulling him to his feet, then scrabbled at his trousers until suddenly I had his cock free. I took him in my mouth and started sliding my lips up and down his proud shaft. I felt a total and wonderfully passionate slut.

It was a somewhat dishevelled Nic and Lyn who staggered back into the hotel. I ordered Nic to the bar to give us both a few moments

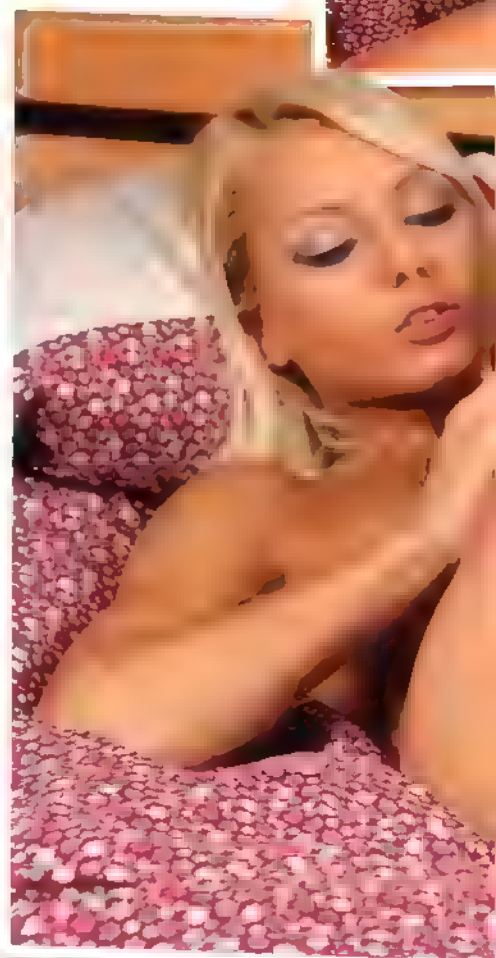

“ I felt raunchy as anything and half a gallon of jism down my throat...”

to recover and to give me some time to tidy myself up. I felt raunchy as anything and half a gallon of jism down my throat had certainly helped, but I was determined Nic should enjoy my other surprises. I texted him to come up, the explicit wording leaving him in no doubt as to my mood.

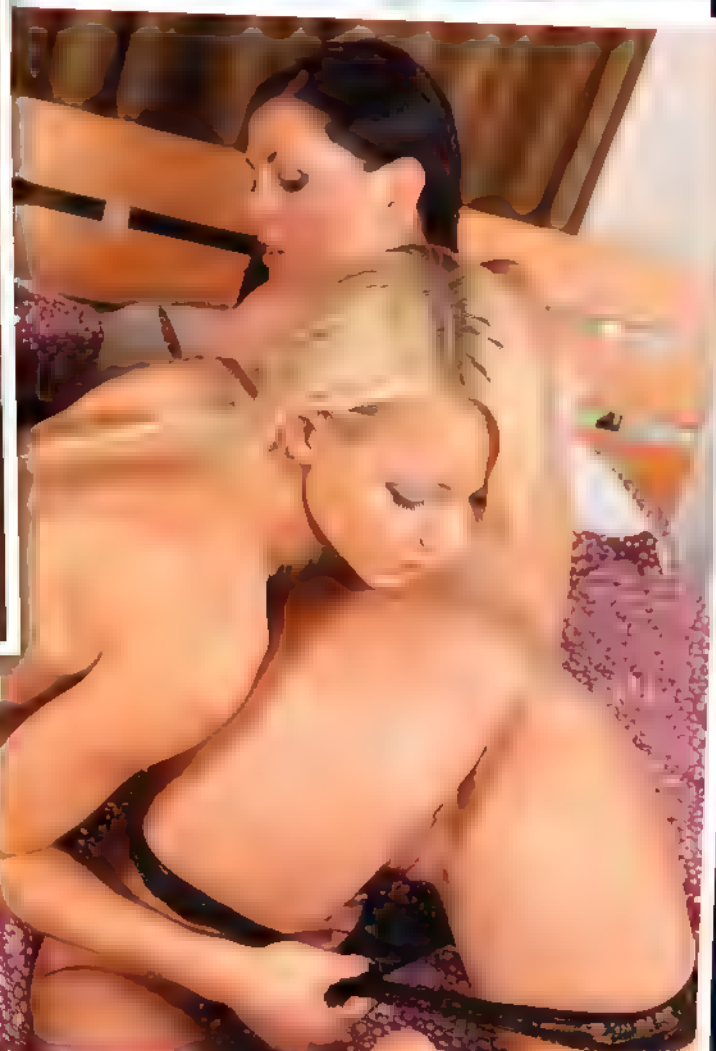

It wasn't his wife, but a randy little maid who answered the door when Nic got to the room carrying an ice bucket, glasses and champagne. I was wearing a cute little flared black satin skirt with frilly white lace petticoat and apron, together with a black see-through blouse. Underneath I wore a waspie-style black basque with suspenders and black stockings. Again, no panties and, rather spectacularly, no bra. My breasts jiggled, riding high and pushed-up by my corset, but plainly visible beneath my sheer blouse.

I guided Nic to an armchair and made him sit down. I popped the champagne, gave him a glass, then continued to fuss about the room on my maid's duties. I tidied away the other outfits I had with me to remind Nic that he still had a schoolgirl, nurse and Wren to look forward to. I did lots of stretching and bending forward to keep Nic's attention, before turning to one or two 'toys' that needed tidying away.

Within a few minutes I was sat in the armchair facing my husband, legs akimbo, sliding eight inches of latex dildo in and out of my pussy. Nic loves to watch me masturbate. I unbuttoned my blouse, playing

with my boobs and nipples as I worked the dildo, then poured champagne over my breasts and pussy, telling Nic how I wanted him to tie me up as my climax approached. I bit my lip and gasped in pleasure as my orgasm overwhelmed me, while still managing to tell Nic that I wanted him to spank me and fuck my arse. Next thing I knew I was coming round from the pleasure of my solo performance, aware only that Nic was tying a scarf about my head to act as a blindfold. My wrists and ankles were already secured as he had spread-eagled me and tied all of my limbs to the four corner posts of the bed.

Nic fucked me, tearing off my blouse, ripping off my skirt, then thrusting his shaft deep inside my pussy. He let up only when I climaxed again. Then he anointed my pussy and boobs with champagne and licked me to another mind-blowing orgasm.

Suddenly I was released and was lying on my front with my bottom high in the air, Nic's palms spreading and massaging my bum with his tongue probing at my hot pussy once again. Then it was something firmer, far firmer, nuzzling between my cheeks, sliding between my buttocks as Nic teased me. The slut who'd been giving head, the same slut who'd been spanked, was now grinding her peaches against her man, begging him to take her behind.

Finally Nic was doing something more than nuzzle against me, firmly easing his erection hard up my arsehole. My eyes rolled and I gasped. Then I was rocking back in lewd delight that he should be thrusting into me this way and I ground my buttocks hard against Nic to take his every pumping sinew. If I say he fucked me, believe me he fucked me! Nic reamed my peaches that night and it was every bit worth the wait and so much better, so much more dirty, than I'd ever imagined possible.

Every so often the sod would withdraw and slide his big, fat cock between my pussy lips,

then just when I was getting into the new rhythm he would pull out to fuck my arse with the same relentless, glorious strokes. I don't know what it is about being fucked this way, but it feels so much more rude and arousing than any other type of sex. You just feel so naked and exposed, such a sexy slut, and when a man's cream spills out and churns inside you it really is the best thing in the world. I'm a lucky girl to be married to a back door expert like Nic.

Esther, Larnie

TIGHT AT THE BACK

My girlfriend Tina recently returned from one of those Anne Summers parties half-pissed and giggling with delight at the goodies she'd bought. The lingerie was outrageously sexy – red split-crotch panties with matching peephole bra – and they gave me an instant hard-on as she paraded around the flat in them. What had excited Tina most, though, was the slim eight-inch metallic dildo she'd come home with, something she'd never bought before or even shown any interest in, really.

As Tina finally joined me on the bed she passed me the dildo and urged me to fuck her with it. She was flushed with desire (and a bottle of wine, it has to be said) and lay spread-eagled on the bed. I hadn't seen her this aroused in ages, so I took the dildo and slowly sank it inside her, inch by inch as high as it would go. Pausing briefly to tease, I then began to work the dildo in and out of her hole,

occasionally drawing a small circle with the tip around her clit, which quickly sparked a massive orgasm. It was great to watch my sexy missus coming and coming again right there in front of me, with this shiny sex toy sticking out of her lovely pussy.

As Tina lay there recovering I removed the split-crotch panties, then flipped her over doggy-style ready for a good, hard fuck. But before I had chance to mount her Tina announced, "Not yet. I want that dildo up my arse first." Well, this stunned me

completely as up to now Tina was an arse virgin who liked having her ring licked and the occasional finger up in the throes of passion, but had never wanted more than that.

Tina lay face down on the bed, her arse pointing up in the air. I returned the dildo back to her dripping minge before slowly rubbing my fingers around her front hole, then lubricated her arse with her own juices. I teased her bum open with the tip of the

dildo before sliding it home. Tina was by now gasping loudly with pleasure. She may never have had a dildo up her arse before, but there was no doubt that she was absolutely loving it. Once it was deep inside I began to pump the dildo hard, using my other hand to tease her clit and work two of my fingers deep inside her. Tina was soon bucking and writhing in ecstasy and it hardly took any time at all before she screamed out loud when

she came. I don't think I've ever seen anything more erotic and sexy in my whole life.

By now I was ready to burst and slammed my swollen cock deep inside her pussy. Within a few seconds I was ready to come. Then Tina floored me again. "I want you to come deep inside my arse," she said. I couldn't believe this was my

"I returned the dildo back to her dripping minge..."

bird coming out with this stuff. Just hearing the words almost made me come.

I fed my cock in carefully and Tina was incredibly tight, so I took my time before getting into a nice, fast rhythm. Then riding her hard as my powerful orgasm took over, I spunked deep inside her, which sent her over the edge again, making her scream and shudder beneath me.

Now Tina can't get enough arse sex and it's the best thing that's happened to me in ages! Steve, Cardiff.

X It looks like old Chris Cringle has been and left the cock stiffening present of Eva on the bed, seductively dressed in red, with a backside you want to sink your teeth into. We always knew he was a randy old bugger, he probably had a very merry time of it in the chimney with Eva. Still, we can't blame him we'd want to take a peek at Eva before the grand unwrapping.

What our well-placed moles are telling us this month...

DOWN THE WIRE

HAGGAR-DO!

Facebook, one of our favourite wastes of time, is of course also popular with stalkers, paedos and also your common-or-garden crim. Police in Tauhara Peitiki, New Zealand, posted a picture of Michael Shane Hagger on their Facebook page, seeking him in relation to shoplifting.

Even criminals like popularity!

Hagger, glad to see you like the page. Please arrange getting these matters sorted.

Hagger, rather than keep a low profile, visited the page and replied with 'hoo rah', a comment that was removed but not before it had got 53 'likes'. The police, smugly, then thanked Hagger for raising his profile significantly and thus making it easier to catch him. As we've said before here at Down the Wire: Criminals: stay off the interweb!

FOWL PLAY!

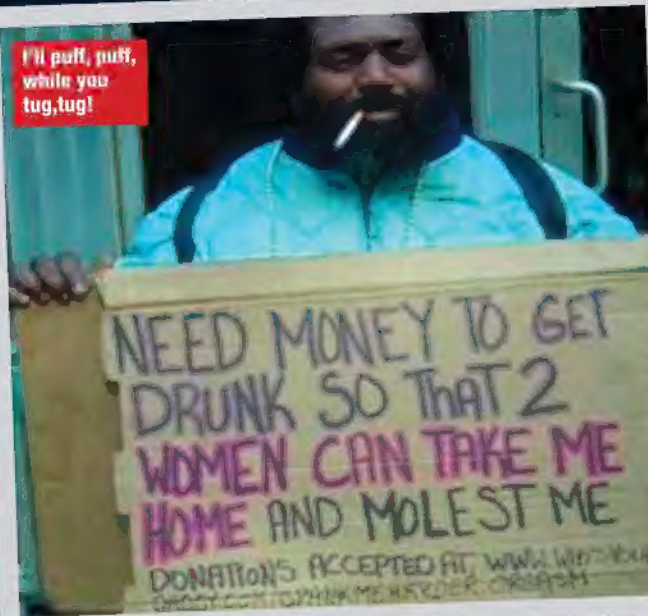

Who would have thought that criminality was possible in Zimbabwe? Go figure, right? Heavy-handed sarcasm aside, our interest was piqued by a domestic dispute relating to the serving of chicken. Nomusa Sibanda, 24, was serving chicken for dinner and reserved the drumstick and breast for herself – the prime parts of the chicken. Her husband, Jabulani Ncube, 40 was given wings and the gizzard. Apparently it's tradition in the area for the man of the house to be given the finest parts of the chicken.

He assaulted her, and she fled to her grandmothers. A tribal court fined Nomusa a chicken for failing to observe the cultural norms, and her grandmother also had to cough up a chicken for failing to teach her granddaughter 'how to treat her husband'.

ADVENTURES IN BABYSITTING!

And now we turn to mother of the year, with Laurie Lee Kelly of Mesa, Arizona, throwing her hat in the ring. Kelly, 43, took her daughter with her to a local park and bought two homeless people beer in return for looking after her six-year-old daughter. Kelly, a teacher's assistant, then disappeared and was later found in the park with a man – she's alleged to have had sex with two men while her daughter was in hobo paradise for four hours. Kelly described herself as being in a 'manic sexual rage' and she 'needed to have sex'. Luckily for her, the transients turned out to be decent babysitters. We reckon she won't be going back to that day job.

I'll puff, puff, while you tug, tug!
